

**2011 Conference**

**Biodynamic  
Association**  
vital soil, vital food

# **THE FUTURE OF AGRICULTURE**

## **A BIODYNAMIC APPROACH**

Biodynamic farms and gardens consistently achieve outstanding results in soil fertility, animal health and food quality. This conference is for everyone who is interested in exploring further this unique approach to organic and sustainable food production.

**Keynote Address**  
**Patrick Holden**  
*(Patron - Biodynamic Association)*

**10 - 13 November 2011**  
**Emerson College, Sussex**
