Valt Vodka Company

Paisley, Glasgow
www.valtvodka.com
0141 849 2090

Valt Vodka was dreamt up by two Scotsmen in a Manhattan bar, who envisaged a vodka "so refined, so cool and so pure that it could only be created one way". This meant using Scottish malted barley, Scottish mountain water and a new quintuple micro-distillation process based on traditional copper pot stills. A "secret charcoal and chill filtration process" adds smoothness.
