NEW 7-DAY INTENSIVE PROBIOTIC

New to the BioCare® range of probiotics, Replete Intensive Forte is a powerful seven-day microbial replacement programme for the digestive tract, designed for intensive short-term use when rapid and effective re-colonisation of the digestive tract is required. It contains an incredible 250 billion viable cells of BioCare's unique LAB4 organisms per sachet together with the supportive, resident

probiotic *Lactobacillus salivarius* to promote a balanced immune response, and optimal amounts of F.O.S. (fructooligosaccharides). RRP £89.95 for 7 sachets. **Contact BioCare® on 0121 433 3727 or visit www.biocare.co.uk**

ANOTHER HEALTHY OPTION

Latest addition to Seagreens® health promoting food products, The Mineral Salt is a unique combination of Seagreens' wrack seaweed from their Organic production in the Outer Hebrides, and certified unrefined Cornish Sea Salt. The 50/50 mix offers 'Twice the flavour, Half the salt' with a mineral and nutritional profile the best salt in the world can only dream of! This product helps fund Seagreens' salt reduction in food research. Available from existing wholesalers as a 100g glass jar with shaker top RRP £4.95.

TASTY & VERSATILE!

Heath & Heather's Liquorice & Oriental Spices is a naturally sweet, rich flavoured drink. This infusion which contains Liquorice, Cinnamon, Ginger and nutmeg to name just a few ingredients can be enjoyed any time, day or night. As an alternative why not try turning boring porridge into a luxury breakfast by adding half a cup of strong infusion to your porridge as you cook it, allowing the oats to take on a spicy, sweetness. Top with sliced almonds and honey for a decadent treat your body will thank you for!

COMPLETE NUTRITIONAL FOUNDATION

Synergy Natural Organic Super Greens is a synergistic blend of Nature's most nutrient-dense superfoods - Spirulina, Chlorella, Barley Grass and Wheat Grass. Organic Super Greens sits between the multiple formulas and single superfoods, providing a complete nutritional foundation to support a normal healthy diet. Similar products only have one or two of these foods, whereas Supergreens combines the most popular algae with the best of the grasses - and all are certified organic. RRP's start at £8.75 for 100 tablets making Supergreens excellent value for money. Available as powder and tablets. **Contact Xynergy Health Products 0345 6 58 58 58.**
